

**Making
Milestones**

Tutoring

Making Milestones is here to support your child's continued learning and boost their confidence through tutoring lessons and workshops.

Our qualified tutors will ensure your child has individualised support and lifelong learning study skills. Our program is based on overcoming learning barriers as well focusing on core curriculum areas to make it easier for your child to thrive.

Our team aims to empower your child to reach their fullest potential and will be there to support your child every step of the way.

Group Tutoring

\$30 per session

Private Tutoring

from \$50 per session
